Pursuant to NJAC 13:44-6.2, a cemetery company may amend this map to include areas not previously laid out or to change the layout of plots not sold. Any change in the physical layout of the cemetery shall be reflected annually on the map. The amended map shall not be effective until it has been filed with the New Jersey Cemetery Board. Existing roadways and walks to graves already sold shall not be abandoned but may be altered as long as similar access to existing interment spaces and niches is not denied. Paths may be renovated or reduced in size as long as the path conforms to N.J.A.C. 13:44-6.3(a).

This survey was made per the record description and evidence of position using GPS and conventional survey methods.
